### The Princess Margaret Ride to Conquer Cancer 2025

Date and Time: Saturday, June 7 8:00 am - 6:00 pm

Address: Route starts: Sherway Gardens in Toronto

The Ride To Conquer Cancer (RTCC) is a two-day charity bike ride between Toronto and Niagara-on-the-Lake (NOTL) benefiting Princess Margaret Cancer Center. Together, we've since raised \$230 million for cancer research, helping millions in Canada and worldwide. We anticipate 4,000-5,000 cyclists to partake and 500 volunteers and staff to deliver the event. New for 2025, the RTCC will be departing from both Toronto's Sherway Gardens and NOTL's Peller Estates on Saturday, June 7th, 2025, on route toward our day 1 finish line located within Hamilton's McMaster University. On Sunday, June 8th we finish our second day of the route where participants will complete their journey from McMaster University to Peller Estates.

### CHAS Annual Fair 2025

Date and Time: Sunday, June 15 8:00 am - 4:00 pm

Address: Country Heritage Park 8560 Tremaine Road

At Country Heritage Park, we're not just hosting a fair – we're building bridges between

urban and rural communities, showcasing the rich farming heritage of our province and

country, and sparking a passion for sustainable farming. Join us for an experience that goes beyond the ordinary fair, where tradition meets education and community bonds are strengthened.

 **Connecting Urban and Rural Communities:** Our fair is a celebration of unity, where city dwellers

and country folk come together in the spirit of camaraderie. It's a chance for urbanites to experience

the charm of rural life and for our rural neighbors to share their traditions with the wider community.

 **Showcasing Farming Heritage:** We take pride in being custodians of Ontario's farming legacy.

Wander through our historic buildings, explore the roots of our agricultural past, and witness the

evolution of farming practices that have shaped our province and country.

 **Educating for Sustainability:** More than just a spectacle, our fair is an educational hub. We believe

in the power of knowledge to drive change. Families and individuals can discover the benefits of

sustainable farming, learn about eco-friendly practices, and gain insights into how small changes

can make a big impact on our environment.

 **Interactive Exhibits:** Engage with hands-on exhibits that bring the farming experience to life.

From seed planting to animal care, it's a journey into the heart of sustainable agriculture.

 Community Showcase: Witness the talents and offerings of our vibrant community. From local artisans to culinary delights, it's a showcase of the best our region has to offer.
