Report To:	Council
From:	Meaghen Reid, Director, Legislative & Legal Services/Deputy Clerk
Date:	July 22, 2019
Report No:	CORS-050-19
Subject:	Manufacturer's Limited Liquor Sales Licence- By the Glass
Recommendation:	<b>THAT the Council for the Town of Milton support the request of Third Moon Brewing Company Incorporated and endorse their application to obtain a "By the Glass" Manufacturer's Limited Liquor Sales Licence.</b>

## REPORT

### Background

On May 7, 2007, a new Regulation (Ontario Regulation 196/07) was enacted under the provisions of the Liquor Licence Act establishing a new class of liquor licence: a "Manufacturer's Limited Liquor Sales Licence." This new type of licence allows Ontario wineries and breweries to sell and serve the wine and beer, which they have manufactured on site between the hours of 9:00 am and 9:00 pm every day of the week.

As this new class of "By the Glass" Manufacturer's Licence is exempt from public advertising requirements, the regulations under the Liquor Licence Act instead require that a resolution be passed by the Council of the applicable municipality indicating support for the issuance of the licence representing popular support of the local community.

### Discussion

The Town of Milton has received a written request from a local brewery Third Moon Brewing Company Incorporated seeking such a resolution for the purpose of applying to the AGCO for a "By the Glass" licence. The brewery, which is licensed to sell its beer to customers in containers, has indicated that having the ability to sell by the glass would provide an opportunity to educate guests about their products in an interactive manner, while promoting their product and enhancing the visitor experience. Beer may only be sold between 9:00 a.m. and 9:00 p.m. every day of the week.
