REPORT

Background

The Engineering Services department has received requests from residents of Kennedy Circle, Cartmer Way and Cedar Hedge Road, along with a business owner on Durante Way, regarding the implementation of extended on-street parking.

All of these roads presently provide Maximum 5-Hour Parking and No Parking 2:00 a.m. - 6:00 a.m. and some of these streets have No Parking Anytime on one side of the road.

Discussion

Kennedy Circle

Kennedy Circle is a collector roadway that runs between Thompson Road South and Louis St. Laurent Avenue (east intersection). A parking questionnaire was sent to the residents on this road gaining their support for the implementation of 15-hour parking.

A total of 32 questionnaires were mailed out to residents and 21 (66%) were returned. Of the 32 questionnaires that were sent out, 18 (56%) were in support of 15-hour extended parking and 3 (9%) opposed, therefore, the required 51% of resident support has been met in order to implement 15-hour parking.

Cartmer Way

Cartmer Way is a local roadway that runs between Weller Crossing and Livingston Road. A parking questionnaire was sent to the residents on this road gaining their support for the implementation of 15-hour parking.

A total of 65 questionnaires were mailed out to residents and 46 (71%) were returned. Of the 65 questionnaires that were sent out, 36 (55%) were in support of 15-hour extended parking and 10 (15%) opposed, therefore the required 51% of resident support has been met in order to implement 15-hour parking.

Durante Way/ Parkhill Drive

Durante Way is an industrial roadway that runs between the east and west intersections of Parkhill Drive. A parking questionnaire was sent to business owners on this road gaining their support for the implementation of 6-hour parking.

Parkhill Drive is an industrial roadway that runs between James Snow Parkway North and High Point Drive. A parking questionnaire was sent to business owners on this road gaining their support for the implementation of 6 hour parking.
