## EXECUTIVE SUMMARY

The purpose of this report is to complete a housekeeping consolidation of By-laws 13-95 and 82-95, which provide for the removal of snow and ice from sidewalks, and to update the sections of the *Municipal Act*, 2001, S.O. 2001, c. 25, noted within the by-law.

## REPORT

### Background

On February 6, 1995, Council passed By-law 13-95, being a By-law to provide for the removal of snow and ice from sidewalks in the Town. A further amendment was made through By-law 82-95 on September 18, 1995.

### Discussion

By-law 13-95 states its legislative authority as “section 210, paragraphs 60 to 63” of *Municipal Act*, 2001, S.O. 2001, c. 25 (“the Act”). The Act has since been amended and those references are no longer correct, thereby requiring an update to the by-law.

With this update, staff recommend the consolidation of By-law 13-95 and By-law 82-95. No further changes are being proposed to the content of the by-laws.

### Financial Impact

There are no financial impacts resulting from this report.

Respectfully submitted,
