

Report To:	Council
From:	Glen Cowan, Chief Financial Officer/Treasurer
Date:	November 18, 2019
Report No:	CORS-066-19
Subject:	Purchasing Various - November 18th
Recommendation:	THAT Council approve the budget amendments and related funding sources as outlined on Schedule A;
	AND THAT Council approve the contract increase with Dillon Consulting for the Fire Master Plan Update in the total amount \$20,000 (exclusive of HST), as outlined on Schedule B;
	AND THAT Council receive for information the emergency contract increase with Maple Hill Tree Services in the amount of \$24,983 (exclusive of HST) and an emergency award to Diamond Tree Care for additional tree removal, stump grinding and emergency on-call work services in the amount of \$176,162 (exclusive of HST), and approve a contract increase to Diamond Tree Care to cover work required until the renewal period of March 31, 2020 in the amount of \$50,000 (exclusive of HST), as outlined on Schedule C;
	AND THAT Council approve the contract increase to Wood Environment & Infrastructure Solutions for Asphalt Overlay in the total amount of \$51,219 (exclusive of HST), as outlined in Schedule D;
	AND THAT the contract increase with S. Spera and Associates Ltd. For Property Negotiation Services in the total amount of \$89,375 (exclusive of HST) be received for information, as outlined in Schedule E;
	AND THAT Council approve the contract increase to Wood Environment & Infrastructure Solutions, for Storm Sewer Network Study Phases 2 and 3 in the total amount of \$250,249 (exclusive of HST), as outlined in Schedule F;

AND THAT Council approve the contract increase to Heale Consulting Services and Management Inc. for Data Centre Maintenance Services in the total amount of \$14,900 (exclusive of HST), and receive for information the emergency contract increase for emergency repairs to the APC UPS System and Fire Station No. 3 in the total amount of \$23,145 (exclusive of HST), as outlined in Schedule G;

AND THAT Council receive for information the emergency contract award to Farley Group for the Soccer Dome Repairs in the total amount of \$63,585 (exclusive of HST), as outlined in Schedule H;

AND THAT Council approve the single source award to Joe Johnson Equipment for the replacement of a trackless tractor in the total amount of \$133,980 (exclusive of HST), as outlined in Schedule I;

AND THAT Council delegate authority to the Manager, Purchasing and Risk Management, to award contracts and process contract increases for additional cost plus work on behalf of the Region of Halton under the Memorandum of Understanding (MOU) for a time period extending until the next update to the Town's purchasing by-law No. 061-2018;

AND THAT the Manager, Purchasing and Risk Management be authorized to execute the contract(s), as outlined by the purchasing by-law, and the Mayor and the Town Clerk be authorized to sign any other required paperwork.

EXECUTIVE SUMMARY

This report is being submitted to have Council's authorization on the various items on the attached Schedules. Requests are being made as per the guidelines outlined in the Purchasing By-law No. 061-2018 and the Budget Management Policy (Policy No.113).

A recommendation has also been included with the intention of better positioning the Town to respond the requirements of the Regional road maintenance MOU. This recommendation would better align the purchasing and budget delegated authorities until the next update to the Purchasing By-law, which is anticipated in 2020.

REPORT

Background

Procurement of goods and services is governed by By-law No. 061-2018. Purchasing activity is undertaken in a manner that is intended to support the Town's mandate to provide effective, responsible government and efficiently deliver services to the residents of Milton.

Discussion

Information pertaining to the recommended purchasing awards is included on the corresponding Schedules A-I, attached.

The Town has entered into a Memorandum of Understanding (MOU) with the Region of Halton to both provide routine operational services and cost plus work. The routine operational work is incorporated into the work plan and included in the contracts that result from formal bid processes.

The cost plus requirements can prove more challenging to predict as additional requests may be received from the Region throughout the year. The Town is obligated to proceed with the work in a timely manner for the Region, and during 2019 this has resulted in more reporting to Council on emergency purchases.

In order to improve the Town's approach in this regard, several actions have been identified. The Town will be working with the Region to more accurately determine the type and volume of work that will be requested for 2020 and future years. Secondly, modifications to the way blanket purchase orders are managed to further segregate Town-related scope of work from Regional work. Finally, included in this report is delegated authority for the Manager of Purchasing and Risk Management to make additional awards or contract increases beyond the Council-approved limits where such awards relate to cost-plus work on behalf of the Region. Under the MOU, all the work orders are reimbursable by the Region for such cost-plus work. Further, the Town's Budget Management Policy allows for spending beyond the approved budget in cases where the net budget impact is neutral or positive and the works remain within existing service levels (Policy 113, Section 4.6 iii(b)). As such, the delegated recommended herein will align the delegated purchasing authority with the budget management authority until the next purchasing by-law review that is currently anticipated in 2020.

Financial Impact

Financial impacts are outlined in detail on the attached Schedules B to I. The resulting funding adjustments are presented on Schedule A, and result in a net overall increase in the approved capital budget of \$20,352.

Although drawing from the Fire Development Charge Reserve Fund will further the reserve fund deficit, the Town's combined Development Charge reserve funds (excluding services related to a highway) are in a positive position. The shortfall in the Fire Development Charge Reserve Fund will be included in the next Development Charge Background Study and will be funded through future development charge collections.

Respectfully submitted,

Troy McHarg Commissioner, Corporate Services / Town Clerk

COUNCIL AUTHORITY FOR CONTRACT AWARDS		
Project Award	Emergency Contract Increase with Maple Hill Tree Services and an emergency award to Diamond Tree Care for additional tree removal, stump grinding and emergency on-call work services and a contract increase to Diamond Tree Care to cover work required until the renewal period of March 31, 2020.	
Recommendation	Staff has proceeded with the emergency contract increase to Maple Hill Tree Services in the amount of \$24,983 (exclusive of HST), for Regional requirements covered under the MOU ;	
	An emergency award for additional tree removal, stump grinding and emergency on-call work services was made to Diamond Tree Care in the amount of \$176,162 (exclusive of HST) for Regional requirements covered under the MOU.	
	Staff are also requesting a contract increase of \$50,000 (exclusive of HST) to the Diamond Tree Care contract to cover work required until the renewal period of March 31, 2020.	
Purpose of Report	As per Section 11.1 of the Purchasing By-law no. 061-2018 emergency expenditures shall be reported to Council for information.	
	As per Section 7.1.2 of the Purchasing By-law No. 061-2018 Council approval is required.	
Background information	The original contract award for RFT #19-062B (PDA-025-19 - Part 2) was made to Maple Hill Tree Services in the total amount of \$60,000 (exclusive of HST). No change orders have been issued to date.	
	The emergency contract increase to Maple Hill Tree Services for \$24,983 (exclusive of HST) is for additional costs related to additional tree pruning and supplemental support system services, for the Region's requirements.	
	The new total for the Maple Hill Tree Services contract is \$84,983 (exclusive of HST).	
	The award of #19-062 B – Part 1 was made to Quality Tree in the total amount of \$98,040. This contractor could manage the work they were awarded but not the additional Regional work. Staff proceeded to make an award to the second lowest compliant bidder, Diamond Tree Care to a total amount of \$176,162 (exclusive of HST), for regional work not originally included in the tender. Staff has completed this work.	
	Staff are also requesting an increase to the Diamond Tree Care

CORS-066-19 - Schedule D

COUNCIL AUTHORITY FOR CONTRACT AWARDS		
Project Award	Contract Increase with Wood Environment and Infrastructure for Professional Consulting Services for the 2019 Asphalt Overlay Program	
Recommendation	Staff is recommending the contract increase be awarded to Wood Environment & Infrastructure for 2019 Asphalt Overlay in the total amount of \$51,219 (exclusive of HST).	
Purpose of Report	As per Section 10.1 of Purchasing By-law No. 061-2018, Council approval is required.	
Background information	 The current contract awarded to Wood for 2019 Asphalt Overlay C-18-37 Release #8 is \$367,081 (exclusive of HST). Through CORS-039-18 Council approved the original award for Design Services of the 2019 Asphalt Overlay Program in the amount of \$117,500. To-date there have been four (4) change orders: Change Order No. 1 in the amount of \$11,500 (exclusive of HST) Change Order No. 2 in the amount of \$226,252 for Contract Administration (exclusive of HST, CORS- 021-19) Change Order No. 3 in the amount of \$7,012 (exclusive of HST) Change Order No. 4 in the amount of \$4,817 (exclusive of HST). This contract increase of \$51,219 (exclusive of HST) is for full time inspection and contract administration of the four additional road segments. The new contract total will be \$418,300 (exclusive of HST). The hourly rates were established through the RFP process and the hours identified and the staffing proposed have been reviewed and validated by Engineering Services – Infrastructure staff.

COUNCIL AUTHORITY FOR CONTRACT AWARDS		
Project Award	Contract Increase with S. Spera and Associates Ltd. for Property Negotiation Services	
Recommendation	Staff are reporting for information the contract increase that was awarded to S. Spera & Associates Ltd., in the estimated total amount of \$89,375 (exclusive of HST).	
Purpose of Report	This contract increase was awarded using CAO delegated authority per Section 7.2.2 of Purchasing By-law No. 061-2018.	
Background information	The current contract was awarded from bid #18-204 and awarded to S. Spera & Associates Ltd. for property negotiation services for Main Street East between James Snow Parkway and Fifth Line is \$34,375 (exclusive of HST). There have been no change orders to date.	
	This contract increase of \$89,375 (exclusive of HST) is for additional property negotiation services for required road widenings along the northern section of Fifth Line from Hwy. 401 to south of Main Street East. These widenings are required as the reconstruction and widening of this portion of Fifth Line will be included with the contract for the reconstruction and widening of Main Street East from James Snow Parkway to Fifth Line. S. Spera & Associates Ltd. are currently undertaking the property negotiation services on behalf of the Town for Main Street East.	
	The new contract total is \$123,750 (exclusive of HST). The hourly rates were established through the RFP process and the hours identified and the staffing proposed have been reviewed and validated by Engineering Services – Infrastructure staff.	
	As construction on this project as a whole is expected to begin in 2020, the property acquisition process needed to begin as soon as possible and as such section 7.2.2 of the purchasing by-law was utilized.

COUNCIL AUTHORITY FOR CONTRACT AWARDS

	HURITY FUR CUNTRACT AWARDS
Project Award	Contract Increase with Wood Environment and Infrastructure for Storm Sewer Network Study Phase 2 and 3
Recommendation	Staff is recommending the contract increase be awarded to Wood Environment & Infrastructure for Storm Sewer Network Study Phases 2 and 3 in the total amount of \$250,249 (exclusive of HST).
Purpose of Report	As per Section 10.1 of Purchasing By-law No. 061-2018, Council approval is required.
Background information	Through CORS-047-17 Council approved the single source award to Wood Environment & Infrastructure to provide consulting services for the Storm Sewer Network Study, Phase 1 for Data Collection and Preliminary Infrastructure Needs Assessment in the amount of \$297,686 (exclusive of HST). The current contract total is \$426,186 (exclusive of HST). The original award amount of \$297,686 plus Change Order No. 1 for \$105,000 (CORS-008-18) and Change Order No. 2 for \$23,500.
	The contract increase of \$250,249 (exclusive of HST) is for consulting services required for Phase 2 and Phase 3 of the Study. The Storm Sewer Network Study is being completed over multiple phases, generally outlined as follows:
	Phase 1: Data collection and Preliminary Infrastructure Needs Assessment
	Phase 2: Detailed Modelling and Analytical Assessment
	Phase 3: Final Infrastructure Needs Assessment and Implementation Plan
	Phase 1 of the Storm Sewer Network Study was initiated in the fall 2017 and is currently nearing completion. The Storm Sewer Network Study / Downtown Core Storm Drainage Master plan phase 2 and 3 will be built from Phase 1 data base information. Details of the scope of the work are outlined in Wood's proposal dated October 23, 2019.
	The new contract total will be \$676,435 (exclusive of HST). The hours identified and the staffing proposed have been reviewed and validated by Engineering Services – Infrastructure staff.
	It is anticipated that a 4 th phase for detailed design, permitting and construction of this project will be required. If required, a separate report will be presented to Council for approval.

Project Award	Contract Increase and Emergency Repair Work with Heale Consulting and Management Inc. for Data Centre Maintenance Services.	
Recommendation	Staff is recommending the contract increase to Heale Consulting Services and Management Inc. for Data Centre Maintenance Services in the total amount of \$14,900 (exclusive of HST).	
	Secondly, Staff proceeded with the contract award for emergency repairs to the APC UPS System at Fire Station No. 3 to Heale Consulting Services and Management Inc. in the total amount of \$23,145 (exclusive of HST). This award is being received for information.	
Purpose of Report	As per Section 7.1.2 of the Purchasing By-law No. 061-2018, Council approval is required. As per Section 11.1 of Purchasing By-law No. 061-2018, emergency expenditures shall be reported to Council for information.	
Background information	The current contract awarded to Heale Consulting Services and Management Inc. for Data Centre Maintenance Services is \$32,286 (exclusive of HST) (Original award of \$32,286 with no change orders to date).	
	 This contract increase of \$14,900 (exclusive of HST) is required to cover the costs associated with the following: Replacement and installation of two new humidification pans for the Town Hall primary data centre air conditioner units Replacement and installation of uninterruptable power supply (UPS) batteries in the Town Hall primary data centre Replacement of a faulty air conditioner condenser fan motor for the Fire Station 2 backup data centre Repair of a leaking refrigeration coil on the cooling system in the main I.T. room at the Mattamy National Cycling Centre. 	
	These repairs are required in order to maintain normal operation of the I.T. equipment providing network connectivity within these facilities. The new contract total will be \$70,330 (exclusive of HST).	
	 Emergency repairs were completed in the amount of \$23,145 (exclusive of HST) to the Fire Station 3 UPS systems and A/C systems that are critical to maintaining operation of the 911 communication and dispatch systems for the Fire Department. The repairs included: Failed power module and batteries in the UPS Replacing failed components on both A/C units there.

COUNCIL AUTHORITY FOR CONTRACT AWARDS			
Project Award	Emergency Contract Award for Soccer Dome Repair		
Recommendation	Staff proceeded with the contract award for the emergency repairs to Farley Group in the total amount of \$63,585 (exclusive of HST). This award is being received for information.		
Purpose of Report	As per Section 11.1 of Purchasing By-law No. 061-2018, emergency expenditures shall be reported to Council for information.		
Background information	The original contract award from tender #19-251, to Farley Group was in the amount of \$117,260 (exclusive of HST). The emergency change orders have been issued, as outlined in this report, for \$63,585 (exclusive of HST). Repairs to the turf and dome structure itself were required due to wind damage and wear and tear over the last season to ensure that the dome could safely be put up for this season. Staff also changed how the sections and fasteners for the dome were configured, to make for a more efficient and less labour intensive installation.		
The new contract total is \$180,845 (exclusive of HST). Financial Planning Section: Budget Impact (Note 1)			
Account Number(s) Account Description	F1350-1320-3740 Indoor Turf Town/HCDSB-Facility Maintenance- Contracts		
Project Total Budget	N/A

Funding Source	Operating Fund		

Note 1: Financial impact includes any non-refundable portion of HST.

CORS-066-19 - Schedule I

COUNCIL AUTHORITY FOR CONTRACT AWARDS			
Project Award	Single Source award to Joe Johnson Equipment for the purchase of the trackless tractor.		
Recommendation	Staff is recommending the single source award to Joe Johnson Equipment for the purchase of a Trackless Tractor in the total amount of \$133,980 (exclusive of HST).		
Purpose of Report	As per Section 10.1 of Purchasing By-law No. 061-2018, Council approval is required.		
Background information	 This vehicle (Unit #2006) is no longer operational due to a recent engine breakdown. This vehicle accommodates many attachments and is used year round for maintenance activities. The Town currently has five (5) trackless tractors and all attachments are interchangeable allowing for greater flexibility. The cost to replace the engine is approximately \$25,000. This unit is 10 years old with items that need to be updated including brakes, hydraulics pump, oil cooler, radiator and wiring harness. The cost to maintain this vehicle outweighs its current value. The 2019 budget provided authorization to proceed with the 2020 capital expenditures and revenues sources for this replacement given the lead times involved (see staff report CORS-068-18). A Single Source to Joe Johnson Equipment, the Ontario distributor for Trackless Vehicles is being recommended. 		
Financial Planning Section: Budget Impact (Note 1)			
Account Number(s)	C45013220-A1610-7110		
Account Description	Multifunctional Tractor		
Project Total Budget	\$161,308		
Contract Budget	\$155,510		
Actual (Net of HST Rebate)	\$136,338		
Variance	\$19,172 (F) (Note 2)		
Funding Source	Equipment Replacement Reserve		

Note 1: Financial impact includes any non-refundable portion of HST. Note 2: Staff recommend that the favourable variance remain in the project until final delivery and invoicing has occurred.
