Discussion

The Development Services Department - Infrastructure Division received a request from a resident on Tasker Court to implement extended 15-Hour parking. Presently Tasker Court provides for Maximum 5-Hour Parking and No Parking 2:00 am - 6:00 am.

Tasker Court is a local roadway that runs between Bronte Street South and Shade Lane. Residential frontage is existing on the south side of the road while the north side is an open field, slated for future development.

A parking questionnaire was sent to the residents on Tasker Court to determine their support for the implementation of temporary 15-Hour extended parking.

A total of 24 questionnaires were mailed out to the residents and 17 (71%) were returned. Of the 24 questionnaires that were sent out, 16 (67%) were in support of temporary extended 15-Hour extended parking and 1 (4%) opposed, therefore the required 51% of resident support has been met in order to implement temporary 15-Hour extended parking.
