Roberts

Milton
- **Postal Code:**
- **Are you representing a group?**
No
- **Council Meeting Date**
7/20/2020

- **Please indicate how you intend to interact with the online Council Meeting**
Both audio and video
- **Please describe the issue you intend to present:**
Request Council to adopt an Interim Control By-law in response to the JDCL (James Dick Construction Limited) application. My apologies for not submitting this request sooner. When I checked the agenda for the meeting on Wednesday afternoon, this item was not on the agenda. I learned late last evening that it was added as an addendum.

I would like Council to pass an Interim Control By-law.
- **Staff Report Number (if known)**
DS-027-20
- **Please provide your comments in support of or in opposition to the staff recommendation:**
I will elaborate more fully during my delegation but, in brief, I believe the risks posed by JDCL's proposal are too great not to proceed with an ICBL and that the Town has nothing to lose and everything to gain by passing an ICBL.

I will submit my submission asap, likely Monday morning.
- **Do you give your permission to be audio and video recorded on the Town of Milton's live Council meeting stream?**
Yes I give my permission
