### **Application Information**

- **First Name:**  
Colleen
- **Last Name**  
Preisner
- **Email Address:**
- **Phone number:**
- **Street Address:**
- **Town**  
Milton
- **Postal Code:**
- **Are you representing a group?**  
No
- **Council Meeting Date**  
8/24/2020

- **Please indicate how you intend to interact with the online Council Meeting**  
Both audio and video
- **Please describe the issue you intend to present:**  
I would like to speak to the proposed changes to the zoning by-laws - specifically to the impact that this will have on the street that I live on (Kingsleigh Court). Will I be allowed to share my screen so I may present a ppt presentation with my thoughts?
- **Please describe specific actions you want Council to take:**  
Consider rezoning Kingsleigh Court to RDL1 so that we would fall under the same house size restrictions that the neighbourhoods around us do.
- **Please provide your comments in support of or in opposition to the staff recommendation:**  
the proposed changes to the by-law do not go far enough to support the neighbourhood of Kingsleigh Court from being ruined by the development of 'monster homes' that are being built on this street. The 3 homes build in the last 2 years are completely out of character with the neighbourhood and frankly, the long time residents of this street (of which I am one - 31 years) are dismayed to find that, after the long awaited neighbourhood study, our street has been excluded from the changes to would stop the destruction of our neighbourhood.
- **Do you give your permission to be audio and video recorded on the Town of Milton's live Council meeting stream?**  
Yes I give my permission
