Report No: DS-043-20

Subject: Technical Report: Town Initiated Official Plan Amendment (Town File: LOPA-02/20) and Zoning By-law Amendment (Z-03/20) - Mature Neighbourhood Areas and Character Areas

Recommendation: **THAT Development Services Report DS-043-20, outlining the Town Initiated Local Official Plan and Zoning By-law Amendments to update Town policies regarding Mature Neighbourhood Areas and Character Areas and regulations for the Downtown Character Area be APPROVED;**

AND THAT Council enacts the proposed Official Plan Amendment and Zoning By-law Amendment, attached as Appendix 1 and Appendix 2 to Report DS-43-20.

EXECUTIVE SUMMARY

This subject report recommends approval of proposed Official Plan and Zoning By-law amendments that update Milton's policy framework for Mature Neighbourhood Areas and Character Areas and zoning regulations for the Downtown Character Area.

The proposed amendments implement the recommendations of the Mature Neighbourhoods Character Study, conducted by Development Services staff.

The proposed Official Plan amendment updates Town policies to better manage development in the Town's Mature Neighbourhood Areas and Character Areas.

The proposed amendment to the Town's Comprehensive Zoning By-law 016-2014 introduces new standards that apply to the low-density residential neighbourhoods within the Downtown Character Area.

REPORT

Background

Development Services staff initiated the Mature Neighbourhoods Character Study in April 2018 in response to a Council direction through a notice of motion to review the Town's current Official Plan policies and regulatory framework relating to the construction of new dwellings in mature residential neighbourhoods and recommend appropriate changes to protect their character. The study arose from public concern regarding the construction of large "in-fill" homes and their impact to the character of the Town's mature neighbourhoods.

Further, on August 27, 2018, Council directed staff to review the imposition of site plan control on single detached dwellings in the character area through the Mature Neighbourhoods Character Study.

This report, (DS-43-20), responds to these directions.

The Mature Neighbourhoods Character Study is carried out in various phases to cover the extent of the Town's stable low-density residential neighbourhoods within the Established Urban Area. Phase 1 of the Study has been completed.

In Phase 1, staff analyzed, with community and stakeholders input, the elements and qualities that contribute to residential character in the Downtown Character Area and assessed whether the policies of the Local Official Plan and the regulatory framework of the Town's Zoning By-law are effective in managing development and maintaining the character of Milton's Mature Neighbourhood Areas and Character Areas.

The technical review and initial public consultation culminated with the preparation of the "Downtown Character Area Background Report, dated April 2019", which was endorsed by Council on April 15, 2019 through Report [PD-018-19](#). The Background Report included a comprehensive review of the current provincial, regional and local policy and regulatory framework. A comprehensive review of the following was undertaken:

- The Planning Act;
- The Provincial Policy Statement;
- Halton Region Official Plan (January 2016 Consolidation);
- Town of Milton Official Plan (OPA 31);

- Town of Milton Zoning By-law 016-2014, as amended (Urban); and
- Site Plan Control By-law (By-law 005-2015, further amended by By-law No. 043-2017).

In addition, the background research involved examining policy and regulatory framework best practices in other municipalities (Halton Hills, Brampton, Newmarket, Ancaster in Hamilton and Burlington). This included a review of their Official Plans and Zoning By-laws.

Phase 1 was also informed by a number of engagement and consultation events. These events consisted of six neighbourhood walking tours with 54 attendees, an online survey with 94 participants, two open houses in April and May, 2019 to present the key findings of the technical review and receive feedback from the public, three additional open houses in December 2019 and January 2020 to present and review the proposed amendments, and a statutory public meeting in August 2020 to present the amendments to the public.

The feedback from the public was used to develop options and recommendations for policies to manage new development and change in the Town's Mature Neighbourhood Areas and Character Areas. In the context of the Character Area, the process also informed new zoning regulations and changes to the Site Plan review. Additionally, internal consultation provided further input in the preparation of the proposed recommendations, as well as suggestions for refinements.

The proposed Local Official Plan and Zoning By-law Amendments are described and detailed bellow.

Discussion

The proposed Local Official Plan Amendment implements recommendations to better manage change and development in the Town's Mature Neighbourhood Areas and Character Areas, extend the boundary of the Downtown Character Area and implement a scoped site plan approval process within Character Areas.

The proposed Zoning By-law Amendment establishes new regulations for new or replacement dwellings and additions to existing dwellings within the Downtown Character Area.

Local Official Plan Amendment

The proposed Local Official Plan changes propose to:

Municipal Structure and Community Context

- Introduce text to the Municipal Structure and Community Context Section to describe the role of the residential neighbourhood areas in the Town's urban structure.
- Clarify the Town's goal to achieve infill and development that is compatible and respectful of existing character in mature neighbourhood areas.

Objectives

- Introduce a new objective to the Cultural Heritage Resources Objectives to recognize areas of the Town as Character Areas, whose unique, identifiable character contributes to a sense of place and local identity.
- Clarify Urban Design Objective to enhance the unique character of a district, neighbourhood, grouping of buildings or prominent building, removing reference to methodology.

Mapping

- Modify the boundary of the Downtown Character Area on Official Plan schedules to include the properties designated "Residential Area" that front onto Martin Street and Court Street North.
- Delete Schedule C.7.C.CBD - Central Business District Special Heritage Areas.
- Introduce a new schedule to the Local Official Plan, which identifies the right-of-way requirements in the Downtown Character Area.

Policies

Residential Area and Character Area Policies

- Clarify the design guidance that is anticipated for new buildings, additions and alterations to existing buildings in Mature Neighbourhood Areas.
- Introduce a new section to the Residential Area Policies, specific to Mature Neighbourhood Areas that establishes policies to require new development in the form of new housing, replacement housing, and additions and alterations to be compatible and respectful of the character of the neighbourhood.

- The new policies also recognize the zoning standards that aim to maintain the character of the mature neighbourhood area and direct the zoning by-law to identify the Mature Neighbourhood Areas in zoning mapping and to detail the appropriate standards for new development within these areas, including setbacks, orientation, building separation, lot area, lot frontage, lot coverage, landscaping and fencing.
- Streamline the Character Area Policies to require new development in the form of new housing, replacement housing, and additions and alterations to comply with the new policies for Mature Neighbourhood Areas and Site Plan Control. New policies also enable the preparation of design guidance documents, and expansion of enhanced street signage and lighting program to Character Areas.

Strategic Policies for Transportation System (right-of-way or daylighting requirement)

- Reflect in policy the current daylighting requirements as set out in the Town of Milton's Engineering and Parks Development Standards Manual.
- Introduce a new policy to identify specific circumstances where the Town may consider a reduction of a required right-of-way or daylighting requirement.
- Introduce a new policy for low density residential development within Character Areas that:
 - does not require the conveyance of an identified future public right-of-way widening allowance and associated daylighting, as a condition of development approval;
 - restricts the location of new structures within the identified future public right-of-way;
 - restricts the location of new structures or obstructive vegetation within the identified future daylighting;
 - explains how setbacks will be measured for new development;
 - requires a Site Plan Agreement to be registered on title as a condition of Site Plan Approval showing these conditions, and
 - clarifies how the Town will acquire the lands when required to implement future capital improvements within the rights-of-way.

Minor Variance and Consent Policies

- Introduce additional evaluation criteria for minor variance applications in Mature Neighbourhood Areas to require development applications to be compatible and

respectful of the character and appearance of the Mature Neighbourhood Area and to minimize the impacts on adjacent properties.

- Introduce additional evaluation criteria for consent applications in Mature Neighbourhood Areas to require development applications to achieve consistency with the character of the Mature Neighbourhood Area.

Site Plan Control Policies

- Remove reference to the requirement for Site Plan Control for single-family dwellings from the Central Business District Heritage policies.
- Introduce a new policy to the Site Plan Control Policies to require a scoped site plan review for new or replacement single-detached, semi-detached or duplex dwellings and building additions to single-detached, semi-detached or duplex dwellings within areas designated Character Areas. The scoped process will consider:
 - building massing, scale, siting, height, coverage, setback and architecture features;
 - right-of-way and daylighting; and
 - grading and drainage.

Definitions

- Clarify the existing definition of “Character”, which considers the built and natural attributes of an area.
- Introduce a new definition for “Character Area” that recognizes existing developed or planned areas within the Town, which has distinct land use functions and a unique, identifiable character.
- Introduce a new definition for “Mature Neighbourhood Area” that recognizes older residential areas that are characterized by predominantly single-detached dwellings generally on larger lots, and other built and natural qualities that collectively provide a distinct and recognizable character.

Zoning By-law Amendment

The proposed Zoning By-law amendments:

Mapping

- Introduce a new Residential Low Density I Zone (RLD1) to certain areas currently zoned RLD. The new RLD1 zone retains the current RLD regulations for lot frontage, lot depth, lot area, lot coverage, rear yard setback, and landscaped open

space, and introduces new regulations for interior side yard setback, front yard setback, building height, and garages.

- Amend Schedule D to inform how building height is measured within the Central Business District Low Density Residential Sub-Area in accordance with the proposed new regulations.
- Add a new Schedule to identify the Town's Mature Neighborhood Areas.

Setbacks

- Establish a minimum interior side yard setback based on lot frontage and garage or carport presence for the new RLD1 zone, that is:
 - For development that incorporates an attached garage or carport:
 - 1.2 metres for one-storey buildings and 1.8 metres for two-storey buildings, where the lot frontage is less than, or equal to, 15 metres;
 - 1.8 metres, where the lot frontage is equal to, or greater than, 15 metres but less than 25 metres;
 - 3.0 metres, where the lot frontage is equal to, or greater than, 25 metres but less than 30 metres; and
 - 5.0 metres where the lot frontage is equal to, or greater than, 30 metres.
 - Where no garage or carport is attached to the building, the side yard on the side with a driveway shall be 3.5 metres, where the lot frontage is less than 30 metres, and 5.0 metres where the lot frontage is equal to, or greater than 30 metres.
- Establish a minimum front yard setback of 6.0 metres for the properties with frontage onto John Street, Miles Street, Barton Street, Court Street North, and Commercial Street between Sydney Street and Oak Street.
- Establish a minimum front yard setback of 6.5 metres for the properties within the Downtown Character Area with frontage onto Woodward Avenue.
- Establish a minimum front yard setback of 8.0 metres for the properties with frontage onto Martin Street located north of Woodward Street, between 200 Martin Street and 388 Martin Street, inclusive.

Building Height

- Establish a new maximum building height specific to roof typology and modify how height is measured based on roof typology for the Central Business District Low-Density Residential Sub-Area and the new RLD1 zone, to be:

- 8.0 metres in the case of a flat roof; measured from the established grade to the highest point of the roof surface or parapet, whichever is greater; and
- 9.5 metres in the case of a gable, hip, gambrel or mansard roof; measured from the established grade to the highest point of the roof surface.

Street Front Treatment

- Introduce a zoning standard for the new RLD1 zone to clarify that the dwelling face must be a minimum of 50% of the building face.
- Establish a setback requirement for the garage or carport face for the new RLD1 zone, that is:
 - for a garage or carport with a garage face or front of the carport that is 3.5 metres wide or less, the garage or carport shall be setback a minimum of 3.5 metres from the building front wall; and
 - for a garage or carport with a garage face or front of the carport that is greater than 3.5 metres, the garage face or front of the carport shall be setback a minimum of 5.5 metres from the building front wall.
 - Development on Maiden Line is exempted from the above noted provisions.

Definitions

- Introduce new definitions for Building Front Wall and Deck Line.

Public Comments

A Statutory Public Meeting was held at the Council meeting on August 24, 2020. Members of the public were provided with an opportunity to ask questions and express views regarding the proposed Local Official Plan and Zoning By-Law Amendments.

At the public meeting, two oral comments were received by Council. Mr. D. Gilbert, a resident of the Mountainview neighbourhood emphasized the need to protect his neighbourhood, its lots and post-war Canada single detached bungalows. Mr. Gilbert also pointed out the ecological impact of the current trend of larger homes on climate change and housing affordability, the need for local action, and his interest in the enactment of an interim control by-law to place a temporary “freeze” on development while the Town conducts the Study.

Mrs. C. Preisner, a resident of the Mountainview neighbourhood, expressed her support for achieving changes to the By-law in consideration of mature neighbourhoods, however, stated her disappointment that Kingsleigh Court was not included in the scope of the

Study. Mrs. Preisner described with examples how the demolitions and rebuilds are negatively impacting her neighbourhood and emphasized that more changes are expected in the current active market.

Town staff responded to these comments by indicating that the Mountainview neighbourhood, inclusive of Kingsleigh Court, is currently being assessed as part of Phase 2 and that a future public engagement event and statutory meeting will be held related to this phase.

No other oral comments were received at the public meeting.

In response to questions from Council, staff clarified that the Natural Heritage System zone is intended to reflect areas of land that are regulated by the Conservation Authority, that restrictive provisions are placed on development on properties that remain in this zone and that any development that may be permitted would require Conservation Authority approval. Staff further explained how the introduction in policy of enhanced criteria for minor variances will help guide minor variance applications in Mature Neighbourhood Areas.

No written comments were received.

Formal Circulation & Agencies

Through the formal circulation, most respondents had no concerns. However, based on staff feedback, minor revisions to the amendments were made. These revisions include:

- changes to the description of Mature Neighborhood Areas and planned residential greenfield areas as components of Milton's residential neighbourhood areas in the Official Plan Amendment; and
- removing all Town-owned parkland and open space areas and adding additional residential areas zoned RMD1 to the Mature Neighbourhood Area Overlay in the Zoning By-Law Amendment.

Concern was raised in relation to the consequences related to public safety by not having enough right-of-way (ROW) width to implement basic safety features or infrastructure improvements should the Town not require the conveyance of land for this purpose. In response to this concern, staff would like to clarify that new policies ensure the Town has the ability through site plan approval to identify future ROW allowances and associated

daylighting, protect the lands from the construction of new structures, and acquire the lands when required to implement future capital improvements within the ROW.

Staff anticipate receiving Regional Exemption of the proposed LOPA in the near future as there are no implications to the Regional policy framework.

Modification informed by Phase 2 of the Study

Since report [DS-020-20](#) presented the findings of the background review of the Mountainview neighbourhood (Phase 2 of the Mature Neighbourhoods Character Study), staff has had the opportunity to explore options to implement the recommendations for this area. As additional data have been collected, a comprehensive review of all front yard setbacks along Woodward Avenue (from Martin Street to Ontario Street N.) allowed staff to make informed refinements to the proposed Zoning By-law amendment from report [DS-025-20](#), as follows:

- The front yard setback provision for the properties with frontage onto Woodward Avenue within the Character Area has been revised to 6.5 metres from the initially proposed 4.0 metres.

Next Steps

Once the proposed Official Plan and Zoning By-law amendments have been adopted, staff will prepare an update to the Site Plan Control By-law in accordance with the amendments. In addition, an appropriate application fee will be determined through the next user fee by-law review.

Financial Impact

The changes to the Site Plan Control By-law for low-density residential development in character areas will result in a reduction of the Town's portion of the site plan application fees. The reduction in fees will reflect the scoped nature of the process. In addition, site plan approvals will not involve the conveyance of an identified future public right-of-way widening allowance and associated daylighting, but will ensure the Town retains the ability to acquire these lands (purchase) for the purpose of future road right-of-way widening and road improvements, as identified in the Official Plan.

Respectfully submitted,

The Corporation of the Town of Milton

**AMENDMENT NUMBER 60
TO THE OFFICIAL PLAN
OF THE TOWN OF MILTON**

Subject: Mature Neighbourhood Areas

**The following text and schedules constitute
Amendment No. 60 to the Official Plan
Of the Town of Milton**

OCTOBER 2020

AMENDMENT NUMBER 60 TO THE OFFICIAL PLAN OF THE TOWN OF MILTON

PART I- THE PREAMBLE, does not constitute part of this Amendment

PART II- THE AMENDMENT, consisting of the following text constitutes Amendment No. 60 to the Official Plan of the Town of Milton

PART I: THE PREAMBLE

THE TITLE

This amendment, being an amendment to the Official Plan to the Town of Milton shall be known as:

Amendment No. 60 to the Official Plan of the Town of Milton

PURPOSE OF THIS AMENDMENT

The purpose of the amendment is to incorporate revisions to various sections of the Town's Official Plan, related to Mature Neighbourhood Areas, Designation of Character Areas, and Character Area Plans, which are necessary to:

- Ensure the Town's planning policy framework with respect to Mature Neighbourhood Areas and Character Areas;
- Implement the recommendations from Phase 1 of the Mature Neighbourhoods Character Study conducted by Town Planning staff; and
- Support the approval of the Town's proposed amendments to the Comprehensive Zoning By-law 016-2014, as amended.

LOCATION OF THE AMENDMENT

The policies apply at a Town-wide and area-specific scale, as detailed in the specific policies.

The lands affected by this amendment generally include all lands within the Town of Milton, as the proposed amendment contains policies and definitions that apply to lands that may be subject to designation as Character Areas. However, policies and definitions in this amendment that are specific to Mature Neighbourhood Areas apply to certain areas within the Urban Area that are designated Residential Area or CBD Low Density Residential Sub Area.

EFFECT OF THE AMENDMENT

The effect of the amendment will be to modify various sections of the Official Plan to reflect the findings of the background research and analysis and implement the policy recommendations of Phase 1 of the Mature Neighbourhoods Character Study conducted by Town Planning staff.

This amendment has the effect of providing policy direction with respect to:

1. Strengthening policies to achieve the Official Plan objectives of mature neighbourhood areas;
2. Strengthening the policy framework for Character Areas and Character Area Plans;
3. Expanding the Downtown Character Area boundary;

4. The integration of existing and new residential development within mature neighbourhood areas; and
5. The requirement of a scoped Site Plan Control process for residential development within areas designated as Character Areas.

Part II: THE AMENDMENT

Map Change:

- 1) Schedule "C - Central Business District Land Use Plan" is hereby amended by replacing the text "Character Area" with the text "Downtown Character Area" in the legend, and amending the boundary of the Downtown Character Area, as shown on Schedule '1', attached hereto.
- 1) Schedule "C.7.C.CBD - Central Business District Special Heritage Areas" is deleted.
- 2) Schedule "D - Urban Area Planning Districts, Character Area and Community Improvement Area" is hereby amended by expanding the Downtown Character Area Boundary to include the properties fronting onto Martin Street located between the current northern boundary of the Character Area and the properties municipally known as 383 Martin Street and 388 Martin Street inclusive, and the properties fronting onto the western side of Court Street North between the properties municipally known as 19 Court Street North and 51 Court Street North inclusive; as shown on Schedule '2', attached hereto.
- 3) Schedule "D - Urban Area Planning Districts, Character Area and Community Improvement Area" is hereby amended by replacing the text "Urban Expansion Area Boundary" with the text "HUSP Urban Area Boundary" in the legend; adding the Urban Area to the schedule; and adding the text and symbol for "Urban Area" to the legend, as shown on Schedule '2', attached hereto.
- 4) Schedule "D2 - Urban Districts and Neighbourhoods" is hereby amended by adding the Character Areas and the SHP Urban Area to the Schedule, adding the text and symbol for "Character Areas" to the legend, and replacing the text "Existing Urban Area" with the text "SHP Urban Area" in the legend, as shown on Schedule '3', attached hereto.
- 2) New Schedule "F - Downtown Character Area and Right-of-way Widening Requirements" is added, as shown on Schedule '4', attached hereto.

Text Change:

The various sections of the Town of Milton Official Plan, as referenced below, are amended as follows:

- 3) Subsection 1.1.1 is amended by adding the phase "D" and deleting the phrase "C.7.C.CBD" from the list of Official Plan Components.

- 4) Subsection 1.1.3 is amended by deleting "Schedule C.7.C.CBD: Central Business District Special Heritage Area" from the list of Official Plan Schedules and adding "Schedule F: Right-of-way Widening Requirements in the Downtown Character Area" to the list.
- 5) Subsection 2.1.3.2 "Urban Area" is amended by replacing the text "The Central Business District is surrounded by both established and developing *residential areas*. The established residential neighbourhoods, located around the Central Business District, are planned to remain relatively stable, and suburban in *character*, over the life of this Plan. Only modest *redevelopment* is planned to occur, largely taking the form of modest infill projects. Residential *greenfield development* will continue to occur however will be characterized by higher, urban densities within the HUSP and Sustainable Halton urban expansion areas in accordance with approved secondary plans" with the following text:

"Milton's residential neighbourhood areas make up a significant proportion of the Urban Area. These areas comprise *Mature Neighbourhoods Areas*, developing *residential areas*, and planned *residential areas* that are intended to accommodate a wide range of residential uses and forms.

The *Mature Neighbourhood Areas*, located around the Central Business District, will remain relatively stable, and able to adapt to changing social, economic and physical considerations, over the life of this Plan. In these areas, infill and *development* that is *compatible* with and respectful of the existing neighbourhood *character* is expected to occur.

Planned residential *development* in *greenfield areas* will continue to occur however will be characterized by higher, urban densities within the Halton Urban Structure Plan HUSP and Sustainable Halton Plan (SHP) urban areas in accordance with approved secondary plans."
- 6) Subsection 2.3.3.9 is amended by replacing the cross reference to subsections 2.6.3.34 through 2.6.3.36 with a cross reference to subsections 2.6.3.37 through 2.6.3.39.
- 7) Subsection 2.3.3.10 is amended by replacing the cross reference to subsections 2.6.3.34 through 2.6.3.36 with a cross reference to subsections 2.6.3.37 through 2.6.3.39.
- 8) Table 2A – *Right-of-way Widths of Specific Transportation Facilities* is amended by:
 - a) adding Mill Street between Bronte Street and Martin Street, to the list of Urban Town Roads with a 20 metre right-of-way requirement and classifying it as collector;

- b) adding Millside Drive between Martin Street and Main Street E., to the list of Urban Town Roads with a 20 metre right-of-way requirement and classifying it as collector;
 - c) adding Mary Street between Hugh Street and Charles Street, to the list of Urban Town Roads with a 20 metre right-of-way requirement and classifying it as collector; and
 - d) replacing the 23 metre right-of-way requirement for Pine Street with a 20 metre right-of-way requirement.
- 9) Subsection 2.6.3.8 is amended by replacing the word “will” with the word “may” and deleting the phrase “and protect for future Regional requirements” from the body of the policy.
- 10) Subsection 2.6.3.9 is deleted in its entirety and replaced with the following:
 - 2.6.3.9 The *Town* shall require the conveyance of lands at intersections to provide for exclusive turning lanes, daylighting and other special treatments including the construction of roundabouts, bridges, overpasses and depressed sections of roads. Such additional right-of-way requirements shall be determined at the time of the design of the road facilities and will become part of the total required right-of-way. Such requirements shall be based on the following:
 - a) 5 metre radius: Laneway to Local Road;
 - b) 5 metre radius: Local Road to Local Road;
 - c) 7.5 metre triangle: Local Road to Collector Road;
 - d) 15 metre triangle: Local Road to Arterial Road;
 - e) 10 metre triangle: Collector Road to Collector Road;

 - g) 15 metre triangle: Arterial Road to Arterial Road.
- 11) Figure D - Right-of-way Requirements for Future Railway grade Separators is deleted.
- 12) Section 2.6.3 is amended by adding the following new policies for Roads as follows, and renumbering the subsequent subsections accordingly:
 - 2.6.3.10 Public right-of-way allowance widths and daylighting requirements may be increased to accommodate additional requirements associated with a planned public works project, such as a Municipal Class Environmental Assessment or Detailed Design. This may include, but not limited to, noise walls, additional turning lanes at intersections, landscaped medians, elements required to address pedestrian comfort, safety or accessibility, separated bicycle paths, wider roadway cuts or embankments.

- 2.6.3.11 Where appropriate and public safety is not affected, a required public right-of-way allowance width and/or daylighting requirements may be reduced on a site specific basis by the *Town* in order to address one or more of the following site-specific circumstances:
- a) A public need arising from the design and alignment of a planned public works project;
 - b) Accommodation of existing or planned streetscape elements;
 - c) Accommodation of existing built form and buildings;
 - d) The presence of the Natural Heritage System or other sensitive environmental features; and/or
 - e) The presence of a cultural heritage resource.
- 2.6.3.12 Notwithstanding the policies of Subsections 2.6.3.9, as a condition of Site Plan Approval, the following policies shall apply on lands designated Residential Area or CBD Low Density Residential Sub-Area within *Character Areas*:
- a) The *Town* will not require the conveyance of any identified future public right-of-way widening and associated additional daylighting;
 - b) No building or structure shall be permitted in the identified future right-of-way widening and any required setbacks shall be measured from the edge of the deemed width of the allowance identified by the *Town*;
 - c) No building, structure or obstructive vegetation shall be permitted in the identified daylighting and any required setbacks shall be measured from the edge of the daylighting identified by the *Town*;
 - d) A Site Plan Agreement shall be registered on title as a condition of Site Plan Approval showing the area of the identified future right-of-way widening and associated additional daylighting, and prohibiting any building or structure within the area to be widened; and
 - e) Should the identified future right-of-way widening and/or associated additional daylighting be required, the *Town* will purchase the land from the property owner.
- 13) Subsection 2.6.3.35 is renumbered as subsection 2.6.3.38 and amended by replacing the cross reference to subsection 2.6.3.34 with a cross reference to subsection 2.6.3.37.

- 14) Subsection 2.6.3.50 is renumbered as subsection 2.6.3.53 and amended by replacing the cross reference to subsection 2.6.3.49 with cross reference to subsection 2.6.3.52 in the body of the policy and clauses a) and b) , and replacing the cross reference to subsections 2.6.3.45 and 2.6.3.48 with a cross reference to subsections 2.6.3.48 and 2.6.3.51 in clause c).
- 15) Subsection 2.6.3.51 is renumbered as subsection 2.6.3.54 and amended by replacing the cross reference to subsection 2.6.3.50 with a cross reference to subsection 2.6.3.53.
- 16) Subsection 2.8.2.13 is amended by deleting the phrase “, based on an analysis of their identifiable architectural characteristics”.
- 17) Subsection 2.8.3.8 is amended by deleting the word “existing” and replacing the word “neighbourhood” with the phrase “*Mature Neighbourhood Area*”.
- 18) Section 2.8.3.10 is amended by replacing the word “buildings” with the phrase “buildings, additions and alterations to existing buildings” and “replacing the phrase “street relationship” with the phrase “existing *character* of the neighbourhood or district”.
- 19) Section 2.10.2 is amended by adding a new objective for Cultural Heritage Resources as follows, and renumbering the subsequent subsections accordingly:
 - 2.10.2.5 To recognize areas of the *Town* as *Character Areas*, whose unique, identifiable *character* contributes to a sense of place and local identity where *compatible* development, respectful of the *character* of the area, is anticipated.
- 20) Section 2.10 is amended by replacing the title heading “CHARACTER AREA PLANS” with the title heading “DESIGNATION OF CHARACTER AREAS”.
- 21) Subsections 2.10.3.35 to 2.10.3.40 inclusive are deleted in its entirety and replaced with new subsections 2.10.3.35 to 2.10.3.42 as follows:
 - 2.10.3.35 The *Town* may designate as *Character Areas mature neighbourhood areas*, core areas of villages, cultural landscapes or other areas in both the urban and rural areas, where designation under the *Ontario Heritage Act* may or may not be appropriate.
 - 2.10.3.36 The *Town* shall require that *Character Area Plans* be developed for *Character Areas* as identified on Schedule D, in accordance with the policies of subsections 5.4.3.11 and 5.4.3.12 of this Plan.
 - 2.10.3.37 In the absence of a *Character Area Plan*, the *Town* shall ensure to the degree possible that:

- a) all new *development* is *compatible* with and sympathetic to existing building forms including heights, setbacks, scale, architectural features, and complies with the policies of Section 2.8 of this Plan; and
 - b) disruption to the natural environment, topography or vegetation will be minimized.
 - 2.10.3.38 The *Town* may require agreements as conditions of approval to secure the *Character Area* features deemed appropriate, in accordance with the policies of subsections 5.4.3.11 and 5.4.3.12, of this Plan.
 - 2.10.3.39 Proposed *development* in the form of new housing, replacement housing, additions and alterations within *Character Areas* shall be subject to the policies of subsections 3.2.1.8 to 3.2.1.12 inclusive, where applicable, and subsection 5.6.3 of this Plan.
 - 2.10.3.40 The *Town* will encourage landowners to protect, maintain and enhance existing *development* in areas designated *Character Areas* and, where appropriate and feasible, to apply for designation of their properties under the *Ontario Heritage Act*.
 - 2.10.3.41 The *Town* may prepare design guidelines for specific *Character Areas* to help private and public landowners construct new buildings, additions and renovations to existing buildings that enhance and contribute to the overall *Character* of the area.
 - 2.10.3.42 The *Town* will promote and reinforce community recognition of the sense of place in *Character Areas* by incorporating enhanced street signage and lighting features, where feasible.
- 22) Section 3.2.1.3 is amended by replacing the phrase “to maintain and protect” with the phrase “that is compatible with and respectful of the existing” and replacing the phrase “established neighbourhoods” with the phrase “the residential neighbourhood areas”.

THE CORPORATION OF THE TOWN OF MILTON

BY-LAW NO. XXX-2020

BEING A BY-LAW TO AMEND THE TOWN OF MILTON COMPREHENSIVE ZONING BY-LAW 016-2014, AS AMENDED, PURSUANT TO SECTION 34 OF THE *PLANNING ACT* IN RESPECT OF ALL LANDS WITHIN THE TOWN OF MILTON, REGIONAL MUNICIPALITY OF HALTON (TOWN FILE: Z-03/20)

WHEREAS the Council of the Corporation of the Town of Milton deems it appropriate to amend Comprehensive Zoning By-law 016-2014, as amended;

AND WHEREAS the Town of Milton Official Plan will provide for the lands affected by this by-law to be zoned as set forth in this By-law upon the approval of OPA No. 60;

NOW THEREFORE the Council of the Corporation of the Town of Milton hereby enacts as follows:

1.0 THAT Schedule 'A' to Comprehensive Zoning By-law 016-2014, as amended, is hereby further amended by changing the existing Residential Low Density (RLD) zone symbol to a Residential Low Density I (RLD1) zone symbol; the Residential Low Density - site specific RLD*1 zone symbol to a Residential Low Density I - site specific RLD1*1 zone symbol; the Residential Low Density - site specific RLD*22 zone symbol to a Residential Low Density I - site specific RLD1*22 zone symbol; the Residential Low Density - site specific RLD*50 zone symbol to a Residential Low Density I - site specific RLD1*50 zone symbol, and the Residential Low Density - site specific RLD*256 zone symbol to a Residential Low Density I - site specific RLD1*256 zone symbol on the lands shown on Schedule A attached hereto.

2.0 THAT Section 1.11 of Comprehensive Zoning By-law 016-2014, as amended, is hereby further amended by adding the following provisions as follows:

1.11 TRANSITION MATTERS

1.11.1 Transition Matters General

i) Subject to Section 1.1 and except as provided in transition Clauses 1.11.1 to 1.11.4, the provisions of this By-law will otherwise apply.

1.11.2 Transition: Site Plan Approval and Building Permit Applications

i) Nothing in this By-law shall prevent the erection or *use* of a *building* or *structure* for a development for which a complete application for site plan approval and/or building permit was filed on or prior to the date of passage of By-law NO. XXX-2020, if the development in question complies or the *building* permit application for the development is amended to comply, with the

provisions of Comprehensive Zoning By-law 016-2014, as amended, as it read on the date of passage of By-law NO. XXX-2020.

1.11.3 Transition: Minor Variance Applications

i) Nothing in this By-law shall prevent the issuance of a building permit or site plan approval in accordance with both Comprehensive Zoning By-law 016-2014, as amended, as it read on the date of passage of By-law NO. XXX -2020 and a related minor variance that was granted approval by the Town of Milton Committee of Adjustment or the Local Planning Appeal Tribunal, under Comprehensive Zoning By-law 016-2014, as amended, as it read on the date of passage of By-law NO. XXX-2020, so long as the complete application for the building permit has been filed by the date of compliance with the conditions pursuant to the decision of the Town of Milton Committee of Adjustment or the decision of the Local Planning Appeal Tribunal.

ii) Notwithstanding the provisions of Section 1.11.2 i), an application for minor variance associated with a complete application for site plan approval and/or building permit that was filed prior to the date of the passage of By-law NO. XXX-2020, can still be made under the provisions of Comprehensive Zoning By-law 16-2014, as amended, as it read on the date of passage of By-law NO. XXX-2020.

1.11.4 Transition Clause Duration

i) Transition Clause Application

Nothing in this By-law applies so as to continue the application of Sections 1.11.1 to 1.11.3 beyond the issuance of the building permit and/or site plan approval upon which the exemptions are founded.

ii) Transition Clause Duration

In no case do the exemptions mentioned in Clauses 1.11.1 to 1.11.3 continue beyond the repeal of this transition section.

1.11.5 Sunset Clause Relating to Transition Matters

i) Sections 1.11.1 to 1.11.5 are repealed two years from the date of enactment of By-law NO. XXX-2020.

3.0 THAT Section 2.1 i) of Comprehensive Zoning By-law 016-2014, as amended, is hereby further amended by adding the following zone and associated zone symbol to the Residential Zones column:

- Low Density Residential I Zone (RLD1).

4.0 THAT Section 2.5 of Comprehensive Zoning By-law 016-2014, as amended, is hereby further amended by deleting Table 2A, and replacing it with the following:
