

Delegate Request Application

Thank you for your interest in appearing before the Town of Milton Council.

Section 11 of the Municipal Act, 2001, S.O. 2001, c. 25 authorizes the Town of Milton to collect any personal information in your communication or presentation to Town Council. The Town collects this information to enable it to make informed decisions on the relevant issue(s). If you are submitting letters, faxes, e-mails, presentations or other communications to the Town, you should be aware that your name and/or submission(s) may become part of the public record and may appear on the Town's website. Questions about the collection of your information can be addressed to: Legislative Administrator, 905 878-7252 extension 2109.

All personal contact information requested in this application will be kept confidential and will not be shared with outside parties.

Please be aware that written submissions from approved delegates to the Town of Milton Council may be distributed publically.

Please describe the issue you intend to present: *

SUBJECT: 485, 501 & 511 Ontario Street South
TOWN FILES: 24T-20004/M & Z-07/20 & LOPA-04/20

- 1) Noise caused by the construction that would disrupt our Tenants Medical practice;
- 2) Height of proposed apartment building;
- 3) Building setbacks;
- 4) For the Developer to instal a security fence on the perimeter abutting our property to prevent trespassing to our property by the Construction and Developer personnels and the residents thereafter;
- 5) minimum four meter space between the proposed building from the perimeter fence abutting our property;
- 6) other issues we might see from the proposed plan.

Please describe specific actions you want Council to take: *

- 1) For the Developer to provide or install necessary construction nets to prevent construction debris and dust from affecting our property considering that our building is a Medical and Dental building.
- 2) For the Developer to provide construction noise buffer so as not to disrupt the medical practice of our Tenants.
- 3) For the Developer to instal a security fence on the perimeter abutting our property to prevent trespassing to our property by the Construction and Developer personnels and the residents thereafter;
- 4) minimum four meter space between the proposed building from the perimeter fence abutting our property;
- 5) limit height of apartment building;
