- **Please describe the issue you intend to present:**

There are currently no neighborhood parks in our area (Cobban - community)

There are many families in our neighborhood without any outdoor space for their children

They are planning to build 12 more detached dwellings and utilize all of the land solely for home construction, without consideration of existing homes with families with children, urgently needing a dedicated outdoor space.

Why is Mattamy only thinking of more sales and profits, and Town of Milton allowing this negligence to go by, without proper planning and future infrastructure ?

- **Please describe specific actions you want Council to take:**

I would like council to consider and approve a dedicated space for a neighbourhood park in our community (Cobban).

- **Please provide your comments in support of or in opposition to the staff recommendation:**

We are in opposition of the staff recommendation of building 12 more dwellings (houses).

- **Do you give your permission to be audio and video recorded on the Town of Milton's live Council meeting stream?**

Yes I give my permission
