As the business owner of the HearSay Speech and Hearing Centre I would like to present reasons in support of the new development proposed for the NW corner of Bronte and Main to reconstruct the TSC property. I feel re-development of the downtown core is a critical component to revitalizing and channeling business to stay within Milton. By enhancing and incorporating new work-live environments, I feel this will only help the independent businesses and small family-run businesses that are operating in Milton, not only for myself, but for my colleagues and other small business owners. This also creates an immersive work-live infrastructure within the heart of Milton.
- **Please describe specific actions you want Council to take:**  
I would like to show my support in favour of this development.
- **Please provide your comments in support of or in opposition to the staff recommendation:**  
I would like to show my support in favour of downtown Milton proposed development at Main and Bronte.
