My wife and I have been a residents of Milton for the past 30 years and we raised our family in close proximity to the downtown core. In the next phase of our lives, we think owning a condo in close proximity to the core, would allow us to continue to support the local business and ensure that the small family owned business have an opportunity to thrive and survive. We view this project as a perfect location for us to continue to live in Milton, with easy access to all that Downtown Milton has to offer. Thanks you.
- **Do you give your permission to be audio and video recorded on the Town of Milton's live Council meeting stream?**  
Yes I give my permission
