I would like Council to vote against this project
- **Please provide your comments in support of or in opposition to the staff recommendation:**  
This development makes no attempt to fit in with the history and character of the area. It will block escarpment views and create a traffic and parking nightmare. There are multiple amendments that this requires to both official plan and tall building guidelines. There are other developments meeting the need for density and affordable housing. Miltonians are against this project and are not being listened to. Concerns were not adequately addressed in the staff report. The developer is not being held to nearly the same standards as residents of the surrounding Mature Character area under the recent study.
- **Do you give your permission to be audio and video recorded on the Town of Milton's live Council meeting stream?**  
Yes I give my permission
