- **Please describe the issue you intend to present:**
We want the school number 10 to be used as elementary school when it opens in September and not as high school. We bought beside the school for my son to just

walk to school so I can go back to work because it's been a have couple of year and our family cannot afford if it will just be 1 person working. My son will be in grade 7 this year. So it's only 2 year he could attend. Then if it will be used as high school then the purpose of buying here just got wasted because I won't still be able to work and help my husband

- **Please describe specific actions you want Council to take:**

I want the council to take action not to allow this to happen, we all hope that 675 Kennedy will be used as elementary school this year 2022

- **Please provide your comments in support of or in opposition to the staff recommendation:**

I hope council will listen to residents

- **Do you give your permission to be audio and video recorded on the Town of Milton's live Council meeting stream?**
