Please do not approve the use of Milton #10 CES as a Highschool however temporary it may be
- **Please provide your comments in support of or in opposition to the staff recommendation:**  
I will be speaking with my comments on this in opposition of the staff recommending the use of Milton #10 CES as a "temporary" Highschool. The HCDSB has come up with this plan as a knee jerk reaction to solve the issue with their Highschool students but have capacity issues as well with elementary schools. If they want to take this much needed school away from our neighborhood what is the plan and do they realize the mental health implications they are creating for these young children and their families.
- **Do you give your permission to be audio and video recorded on the Town of Milton's live Council meeting stream?**  
Yes I give my permission
