Both audio and video
- **Please describe the issue you intend to present:**  
In regards to the report (DS-039-22) and am very disappointed with the staff's recommendation to go forward with this by-law change to allow Milton #10 CES to be used as a Highschool in our community. In addition, there's been a last minute amendment for 2 years vs the original 1 year "Temporary" use in original application.
- **Please describe specific actions you want Council to take:**  
I will be notifying the community via our social media platforms and will definitely be speaking at the town meeting to again voice our concerns and disappointment with this recommendation. We are confident the Town Council and our Mayor will not allow for this school to be taken away from it's neighbourhood residents however "temporary" it may be.
- **Staff Report Number (if known)**  
DS-039-22
- **Please provide your comments in support of or in opposition to the staff recommendation:**  
I have reviewed the report (DS-039-22) and am very disappointed with the staff's recommendation to go forward with this by-law change to allow Milton #10 CES to be used as a Highschool in our community. In addition, there's been a last minute amendment for 2 years vs the original 1 year "Temporary" use in original application. With all the delays and strikes this will no doubt be pushed to an even longer "Temporary" use, why can't the staff see this? And what's most disappointing is even after all the public feedback and over 400 names on the petition it seems like we are being ignored. Again, it's unfortunate about the highschool students going to school outside of Milton temporarily but trying to "solve" one problem by disrupting younger children, families and an entire community is not the right answer.

Thank you,

Dan Mendes & The Residents of Milton#10 CES
