## 8.1 - Presentations Zero Emission Bus Feasibility Strategy and Fleet Transition Plan

- **Please indicate how you intend to participate during the Council Meeting**  
In person
- **Please describe the issue you intend to present:**  
Zero-Emission Bus Feasibility Strategy and Fleet Transition Plan.
- **Please describe specific actions you want Council to take:**  
Provide detailed calculations of GHG emissions comparison between Diesel and BEB. Does the comparison include emissions during the manufacturing of BEBs vs Diesel buses?  
Consider in calculations and study, the environmental and social impacts of procuring battery metals for electric vehicles batteries, specifically Cobalt, which usually comes from Congo.  
Consider the life span of BEBs and potential disposal of batteries while comparing the two options.
- **Please provide your comments in support of or in opposition to the staff recommendation:**  
I am not in opposition to the staff recommendation. I would like the staff and the Council to make sure that the study is holistic and considers all the environmental impacts while comparing the do-nothing scenario with the BEB scenario.
- **Do you give your permission to be audio and video recorded on the Town of Milton's live Council meeting stream?**  
Yes I give my permission

## **THE CORPORATION OF THE TOWN OF MILTON**

### **NOTICE OF MOTION**

INTRODUCTION DATE: April 15, 2024

SUBJECT: Harrison House

CONSIDERATION DATE: April 15, 2024

MOVED BY: Councillor Best

SECONDED BY: Councillor Malboeuf

**WHEREAS;** in 2010, Council approved a zoning by-law amendment application (Town File Z.12/10) to facilitate the development of a six-storey condominium apartment building located at 33 Whitmar Street;

**AND WHEREAS,** through this rezoning, the applicant committed to preserving the existing heritage house located on the site, known as the “Harrison House” to be used as amenity space for the condominium residents;

**AND WHEREAS,** the upkeep of the heritage house is causing an undue financial burden to the condominium corporation;

**AND WHEREAS,** the condominium corporation is now considering submitting a rezoning application to the Town, seeking permission to allow office use within the heritage house to enable future lease opportunities; with no new development being proposed;

**AND WHEREAS**, the condominium corporation is now committed to designating the “Harrison House” under Part IV of the Ontario Heritage Act, which would protect the house from demolition;

**AND WHEREAS**, the condominium corporation is seeking relief from fees associated with a rezoning application;

**AND WHEREAS**, Section 69(2) of the *Planning Act* provides a municipal council with the discretion to reduce or waive such fees where they are satisfied that it would be unreasonable for the applicant to be required to pay the fees set out in the Bylaw;

**THEREFORE BE IT RESOLVED THAT** Staff be directed to bring forward a report outlining the basis for the Town’s current fees, as well as a recommendation to Council on appropriate fees in this instance.
